

Build an Inclusive and Diverse Organisation

Become an Autism Impact Award Champion

We will work with you to create a bespoke package of accredited training to support neurodiverse employees and customers.

Benefits of being an autism accessible organisation:

Team building: Increase staff knowledge to build confidence and understanding of neurodiversity.

Attract diverse talent: Support autistic employees and build a neurodiverse workforce.

Equality compliance: Every organisation in Northern Ireland is legally obligated to provide equal access to services for autistic people under the Disability Discrimination Act and Autism Act (NI) 2011.

Improve customer satisfaction: Empower your team to deliver better customer service to the neurodiverse community.

Achieve the Impact Award and receive:

- ◆ Recognition as an organisation that promotes inclusion and diversity.
- ◆ A personalised Impact Award plaque to display at your venue/office.
- ◆ Promotion of Impact Award logo on your organisational communications.
- ◆ Promotion as an Impact Award Champion across Autism NI's digital channels.
- ◆ PR opportunities for your award-winning organisation.
- ◆ Individualised and ongoing support for 3 years.

35,000 autistic people live in Northern Ireland.
